

GET TO KNOW THE INGREDIENTS

Carrot Pomace Prebiotic

GUT HEALTH & IMMUNE SUPPORT

- Increases beneficial gut bacteria and their metabolites.
- Supports digestive health with significantly less gas than other prebiotic fibers.*
- Trains the immune system for optimal performance, enhancing overall well-being.*

CLINICALLY PROVEN BENEFITS

- Supports immune response, strengthens overall resilience and preserves overall quality of life.*
- Each capsule serving is equivalent to the prebiotic fiber of 7 large carrots.

SOURCING & SUSTAINABILITY

- Carrot Pomace Prebiotic is a precision prebiotic fiber, upcycled from carrot pomace using proprietary water-based extraction technology.
- Carrots are sourced responsibly, ensuring sustainable production.

Broccoli Sprout Concentrate

ANTIOXIDANT ACTION & LIVER HEALTH

- Supports healthy liver function and detoxification processes.*
- Helps neutralize free radicals and environmental pollutants.*
- Reinforces the body's natural responses to oxidative stress.*

SOURCING & SUSTAINABILITY

- Made from young broccoli sprouts harvested at their nutritional peak for optimal sulforaphane levels.
- Solvent-free processing ensures purity and potency.

Bacillus Subtilis Probiotic

DIGESTIVE & IMMUNE HEALTH

- Helps maintain a healthy balance of gut flora by promoting the growth of beneficial bacteria.*
- Promotes normal immune reactions in the gut and maintains the gut barrier's function.*
- Proven stability and efficacy in supporting digestive health across a wide range of environmental conditions.
- Supported by over 30 scientific studies to ensure efficacy.

SOURCING & SUSTAINABILITY

- A probiotic spore, Bacillus Subtilis has been a known and studied microorganism for over a century.
- Stable and resilient, Bacillus Subtilis thrives in the GI tract, supporting gut health and immune function.*
